
Greenwood Roche becomes a Keystone Trust sponsor

Greenwood Roche has recently had the privilege of joining the Keystone Trust whanau as a proud sponsor.

Keystone Trust's fundamental goal is to support and enable students who have financial need or have been affected by adverse circumstances to take up tertiary studies in the property sector.

The Trust believe that this can only be achieved by working with others with the same value, vision and integrity - from students to sponsors, friends and supporters.

Being able to contribute to the future capability and capacity of the property and construction sector through the Trust gives us the opportunity to 'pay it forward'. Standing alongside a young person as they grow and develop into their potential is an enormously fulfilling experience and one we look forward to doing with Keystone.
