
Greenwood Roche – Wellington Supreme Award 2018

We are pleased to continue to support the Property Council New Zealand Wellington Property People Awards which recognise and celebrate excellence in property in Wellington.

Wellington Partner, [Doran Wyatt](#) had the honour of presenting the Greenwood Roche Supreme Award as part of the event on 11 October 2018.

Congratulations to McKee Fehl Constructors Ltd, this year's winner of the Greenwood Roche Supreme Award, for the Press Hall 80 Willis Street / 22 Boulcott Street project.

What stood out for the judges was the ability of McKee Fehl to repurpose and modernise the Press Hall site. The end result is an iconic development that adds vibrancy to Wellington but also respects the heritage of the original building.

The testimonials for this project summed it up:

- “The concept of unlocking Press Hall, which was essentially buried in between Boulcott Street and Willis Street, was a clever idea.”
- “The newly formed urban laneway leading to the food hall is activated by vibrant and diverse kiosks and a bar above, the veranda can now be occupied by people adding to the urban fabric of the street.”
- “Never before have such old, run down, dark and dingy buildings been so substantially structurally modified, seismically upgraded and refurbished to create such an open, vibrant and modern workplace.”

In the judges' words, “This feels like an iconic development with wide benefit for Wellington”.

Congratulations to Maurice Clark and the McKee Fehl team.
